

## Sports Camshaft For PCX

Even with only a camshaft replaced to a stock engine, it is possible to increase the power output.

If Sports camshaft as is directly installed, will become Auto-Decompression less specification.

When Auto-Decompression parts remove from stock camshaft, and reinstall into Sports Camshaft, It will be Auto-Decompression Sports Camshaft specifications.

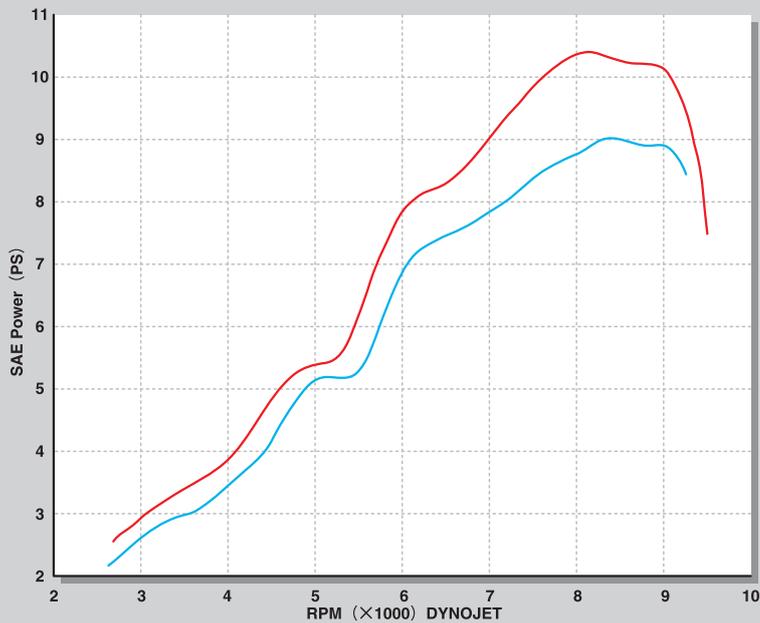

※If you are installing a Sports camshaft, which must be stock exhaust system.

If you are installing a TAKEGAWA Exhaust system, must be injection controller.

(TAKEGAWA injection controller in development)

Name	Sports Camshaft
Applicable model	PCX (JF28-1000001~)
Item number	01-08-0149

■ Stock Engine+Sports camshaft (Stock ECU)

■ Stock Engine

※To prevent the engine from getting damaged, keep specified rpm range.

※Tested at the condition of our test facility,actual power may vary.
